DETAILED ACTION

Any rejection of record in the previous Office Action, mailed June 29, 2005 that is not addressed in this action has been withdrawn. Because this Office Action introduces new rejections other than those set forth in the previous Office Action, and are not necessitated by amendment, this Office Action is **Non-Final**.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 26, 31, 33, 37, 40 and 54 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. The language "isolated/recombinant" is indefinite because it is unclear what the '/' represents. If the slash indicates "isolated or recombinant", Applicants are encouraged to use this language.

Allowable Subject Matter

Claims 27, 32, 34, 35, 47-53 and 55-69 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claims 28, 29, 38, 39, 41-46 are allowed.
